ISIVF²⁰¹⁹

20th World Congress on In Vitro Fertilization

SAVE THE DATE: 24-26 OCTOBER 2019, IN BARCELONA! DON'T MISS OUT THE 20TH WORLD CONGRESS ON IN VITRO FERTILIZATION

This is your chance to experience the **breakthrough scientific programme** on hot topics in the field of **in vitro fertilization of human oocytes (IVF)** and various forms of **Assisted Reproductive Technology (ART)** for the prevention and treatment of infertility and other indicated conditions.

We, together with representatives of the ISIVF Society, are working on interactive and dynamic sessions, led by renowned speakers, to make ISIVF 2019 a cutting-edge meeting with a scientific content of excellence.

YOUR OPPORTUNITY TO THRIVE PROFESSIONALLY:

- **LEARN** about the most recent researches and clinical development in IVF and ART
- **BUILD** and maintain solid collaboration with international and national professionals and organizations related to IVF and ART.
- **ADVANCE** in the understanding of the current and future challenges in the field.
- **SHARE** your professional experiences and ideas with colleagues from all around the world.
- **ENJOY** an innovative scientific event in the beautiful city of BARCELONA.
